DONATE NOW! Please make a tax-deductible online donation at coloradocapfoundation.org. Or write a check and enclose it with the donation form provided below. We need your support to continue the positive impact on CAP cadets and adult members throughout the state. In 2024, Foundation grants to individual members and units total \$14,900. CAP and the Colorado Wing have had a strong 2024. But some cadets and squadrons still need help to

catch up with required encampments and special activities. The Foundation has helped meet these challenges with increased grants in 2024 and beyond. To do that, it needs increased support through donations.

Separate 501(c)(3) organization. The Foundation is a charitable organization separate from Civil Air Patrol itself. The Foundation's sole purpose is to support the members of the Colorado Wing of Civil Air Patrol, particularly those cadet members who need financial assistance to remain successfully committed to the CAP cadet program. This request for donations is one of our primary sources of sustainable funding. We respectfully ask that you make the most generous donation you can, so the Foundation can continue to broaden its program of supporting the members of the Colorado Wing.

Your donations at work: As stated above, the Foundation made grants of \$14,900 in 2024. Donations become grants. By way of example only, you can request a grant to support fees and equipment for education and training, flight orientation, search and rescue, color guard, cyber defense, aircrew training, unmanned aerial systems training, airborne photography, pilot proficiency, aerospace education, and special activities such as conferences and encampments that further CAP goals and develop leadership and readiness skills.

Plan ahead. Both individual Wing members and units can **apply for Spring-Summer 2025 grants by the next Deadline of Tuesday, February 11, 2025.** Go to the Foundation website and submit the individual or unit grant request. The deadline for Fall-Winter 2025 grant applications will be August 11, 2025.

Foundation grants are usually in the hundreds of dollars up to the range of \$500. The Foundation prefers to see "buy-in" by the member or unit so the grant does not cover the total cost of the activity or equipment.

X RECOGNITION: The
Foundation continues its
recognition of the Aerospace
Education Excellence (AEX)
Award Program. Cadet,
composite, or senior squadrons
that receive the CAP's AEX
award can also receive a
Foundation check for \$100 to
support the unit's Aerospace

Education program. Send a photocopy of your unit's AEX award for the current year to the Foundation and receive a check.

FOUNDATION ADDS ITS AWARD TO QUALITY CADET UNIT AWARD RECIPIENTS: The Foundation has added a recognition program for those Colorado Wing cadet and composite squadrons that earn the Quality Cadet Unit Award (QCUA). This \$100 award encourages Colorado squadrons to continue their efforts in achieving a vibrant cadet program. Several squadrons qualified in 2024.

Donate Your vehicle: The Foundation's vehicle donation program is simple. You can donate any type of vehicle, running or NOT. Simply contact Cars Helping Charities at carshelpingcharities.org or call (866)701-2277 for a no-hassle pick-up of your vehicle. Be sure to identify the Colorado Civil Air Patrol Foundation as the designated charity for your gift.

Put the Foundation in Your Will: You can make a gift to the Colorado Civil Air Patrol Foundation in your will to create a memorial fund in your name to support Colorado Wing members long into the future. It will make a crucial difference to Civil Air Patrol. Future members of the CAP community will remember you through the Foundation and see the importance of making charitable donations. It is a wonderful legacy to leave behind! Contact the Foundation at 720-703-5312 to complete this and other estate planning with attorneys provided by the Foundation at **NO cost** to you.
